

REGARDING MY RESEARCH ...

FRANKIE J. WEINBERG, MBA, PH.D.

ASSOCIATE PROFESSOR OF MANAGEMENT &
DEAN HENRY J. ENGLER, JR. DISTINGUISHED PROFESSOR

“Considering the critical role(s) spiritual leaders may play in the lives of individuals, Frankie’s research has the potential to be one of the leading articles on this topic. And, as *Leadership Quarterly* is the top journal in the field, this potential seems likely to be recognized in the coming years.”

~ Shelley Dionne, Associate Editor,
Leadership Quarterly

“... you are offering a model to other faculty in order to incorporate elements of the Jesuit tradition into their fields of expertise.”

~ Ricardo Marquez,
Former Assistant Director of the Jesuit Center,
Loyola University New Orleans

“I am quite impressed with the direction of your research and of the continued evolution of workplace values and context as the economic environment continues to respond to volatile change ... I will think of ways in which LUC and the Gannon Center could incorporate your work into some future project.”

~ Janet Watters Sisler, Director,
Gannon Center for Women and Leadership
Loyola University Chicago

“... both reviewers were pleased with your responsiveness of your revision. I can honestly say that these are two top researchers in our field and the ability to get such scholars to unanimously recommend accepting a manuscript after only one revision is rare and a testament to your hard work and careful scholarship - well done!”

~ Talya Bauer, Editor, *Journal of Management*

“Frankie’s manuscript was one of the best ever submitted to JEE (acceptance rate is less than 20 percent) ... In my six years of serving as Editor of JEE and numerous years of additional editing duties, I have worked with only a handful of authors who are as capable, enthusiastic and dedicated as Frankie.”

~ Don Caudill, Editor,
Journal of Ethics and Entrepreneurship

“I wish all of our authors were as dedicated as you.”
